

Sue Scott's POW/MIA Biography

Sue Scott has been committed to the POW/MIA issue since December 30, 1969, when her brother, Capt. Douglas D. Ferguson, USAF was shot down over Na Khang, Laos. She is a Charter member of the National League of POW/MIA Families, where she served as Chairman of the Board from 1989 to 1995 and continues to serve on the Board. In addition, she has been active in the State of Michigan where she is also a Charter member of the POW Committee of Michigan and served as President during the early 1980's.

Sue was part of the League Delegation to Southeast Asia in 1994 and the League-sponsored Family Member Delegation in 2007, has spoken at numerous events and parades or been interviewed on television from Washington State to New York, Washington DC, and, of course, Michigan. She has tramped the halls of Congress and met with Administration officials at the White House and the Executive Office Building, as well as officials from SEA countries.

In February of 2014, her commitment and persistence, along with the hard work of other League and USG officials, was rewarded with the recovery, identification and return home of her brother's remains. Captain Douglas D. Ferguson's Homecoming and Celebration of Life were more than any of us could have imagined. Because so many do not yet have the peace and ultimately joy of their husband, father, son or brother's return, Sue continues to keep her commitment to do whatever it takes to bring home as many as possible of those still missing and unaccounted for from the Vietnam War. She is proud of the efforts of the National League of POW/MIA families which have been instrumental in helping families get answers.
